PROVINCIAL TREASURY

The Eastern Cape Provincial Treasury urges all suppliers, who have not yet registered on the National Treasury Central Supplier Database (CSD) to do so as a matter of urgency. The CSD is a self-registration process, which can be completed online at www.csd.gov.za.

Contracted suppliers will not be able to receive orders or payments unless registered on the CSD.

Suppliers are encouraged to check their banking details verification after registering on the CSD and ensure that the banking details are appearing on the CSD report as validated.

Suppliers are similarly encouraged to register and/or update their information on CSD.

Suppliers are welcome to visit the Provincial Treasury Helpdesk for assistance with registration, especially those that do not have access to a computer and/or internet.

Enquiries must be directed to:
